THE PERFECT INTERCOM FOR WORK AND PLAY

Description

Interphone Urban is the intercom for city use that's dynamic, reliable and compatible with all types of helmets on the market. With Interphone Urban, you can receive calls during your commute between work and home, and follow instructions from a Bluetooth® navigator to reach any destination safely and securely. But Interphone Urban is also great for people who love to travel beyond city limits with their partners, because it provides the easy pilot-passenger communication that's essential for experiencing the excitement of the trip together. Thanks to its long battery life, travelling by motorcycle will never be the same. Interphone Urban is equipped with Bluetooth® connectivity for music and GPS navigator, and with FM radio, and it is also an easy-to-operate intercom that provides a full set of functions and operates perfectly in any weather. Available in black with white keys and trim.
